

Amendments to the Claims

Please amend the claims without prejudice, such that this listing of claims will replace all prior versions, and listings, of claims in the application.

Claims 1-7. (CANCELLED)

Claim 8. (CURRENTLY AMENDED) ~~The method of Claim 7,~~ A computerized method for identifying select ones of insurance records which possess a favorable subrogation potential, the method comprising the steps of:

receiving data indicative of a plurality of claims;

automatically calculating a base score to identify select ones of the claims which demonstrate at least a given probability of expected subrogation recovery dependent upon the received data, wherein calculating a base score ~~further comprise the steps of~~ comprises:

calculating a likelihood a payment will be made by a legally liable party;

calculating a probable percentage of losses recovered through payments received from said legally liable party;

identifying at least one economic factor pertinent to said base score;

calculating a first adjustment dependent upon said identified at least one economic factor;

identifying at least one collection efficiency or strategy pertinent to said base score; and,

calculating a second adjustment dependent upon said identified at least one collection efficiency or strategy;

selecting claims on the basis of the base score which demonstrate at least a given probability of expected subrogation recovery dependent upon the received data;

automatically identifying risk factors associated with the claim for each of the select claims;

automatically scoring each of the select claims dependent upon the base scores and said identified risk factors to provide a value indicative of an expected subrogation recovery; and

outputting the resulting value;

wherein, the steps are employed using a computer.

Claims 9-26. (CANCELLED)
